The topic of mind control is elaborate, multifaceted, and multi layered. For the casual reader, it can quickly become numbing, overwhelming the senses and creating a desire to exit the topic, but avoiding this subject is the most foolish thing you could possibly do since your only chance of surviving this hideous and insidious enslavement agenda, which today threatens virtually all of humanity, is to understand how it functions and take steps to reduce your vulnerability.

The plans to create a mind controlled workers society have been in place for a long time. The current technology grew out of experiments that the Nazis started before World War II and intensified during the time of the Nazi concentration camps when an unlimited supply of children and adults were available for experimentation. We've heard about the inhumane medical experiments performed on concentration camp prisoners, but no word was ever mentioned by the media and the TV documentaries of the mind control experiments. That was not to be divulged to the American public. Mind control technologies can be broadly divided into two subsets: trauma-based or electronic-based.

The first phase of government mind control development grew out of the old occult techniques which required the victim to be exposed to massive psychological and physical
Mind Control, The Ultimate Terror

Trauma, usually beginning in infancy, in order to cause the psyche to shatter into a thousand alter personalities which can then be separately programmed to perform any function (or job) that the programmer wishes to "install". Each alter personality created is separate and distinct from the front personality. The 'front personality' is unaware of the existence or activities of the alter personalities. Alter personalities can be brought to the surface by programmers or handlers using special codes, usually stored in a laptop computer. The victim of mind control can also be affected by specific sounds, words, or actions known as triggers.

The second phase of mind control development was refined at an underground base below Fort Hero on Montauk, Long Island (New York) and is referred to as the Montauk Project. The earliest adolescent victims of Montauk style programming, so called Montauk Boys, were programmed using trauma-based techniques, but that method was eventually abandoned in favor of an all-electronic induction process which could be "installed" in a matter of days (or even hours) instead of the many years that it took to complete trauma-based methods.

Dr. Joseph Mengele of Auschwitz notoriety was the principle developer of the trauma-based Monarch Project and the CIA's MK Ultra mind control programs. Mengele and approximately 5,000 other high ranking Nazis were secretly moved into the United States and South America in the aftermath of World War II in an Operation designated Paperclip. The Nazis continued their work in developing mind control and rocketry technologies in secret underground military bases. The only thing we were told about was the rocketry work with former Nazi star celebrities like Warner Von Braun. The killers, torturers, and mutilators of innocent human beings were kept discretely out of sight, but busy in U.S. underground military facilities which gradually became home to thousands upon thousands of kidnapped American children snatched off the streets (about one million per year) and placed into iron bar cages stacked from floor to ceiling as part of the 'training'.

These children would be used to further refine and perfect Mengele's mind control technologies. Certain selected children (at least the ones who survived the 'training') would become future mind controlled slaves who could be used for thousands of different jobs ranging anywhere from sexual slavery to assassinations. A substantial portion of these children, who were considered expendable, were intentionally slaughtered in front of (and by) the other children in order to traumatize the selected trainee into total compliance and submission.

Mind Control 'Programmed' Individuals

The lone gunman that we hear about in assassinations, assassination attempts, school shootings, etc. are mind controlled individuals who had been 'programmed' to carry out those missions. Ted Bundy, the 'Son of Sam' serial killer David Berkowitz, Oswald, Timothy McVeigh, the Columbine shooters, Chapman, Sirhan Sirhan, etc. were mind controlled individuals who were programmed to perform these killings. Tens of thousands of young teenage boys were kidnapped and forced into the mind control training program called The Montauk Project starting around 1976. Al Bielek, under mind control, was involved in many areas of the secret Montauk Project. After slowly recovering his memories beginning in the late 1980's, he came to realize that there were at least 250,000 mind controlled "Montauk Boys' produced at 25 different facilities similar to the underground base at Montauk, Long Island. Many of these boys were to become 'sleepers' who are individuals who were programmed to go into action at a later date when properly "triggered" to engage in some sort of destructive or disruptive conduct. Other Montauk Boys were woven into the fabric of mainstream American life as journalists, radio & TV
personalities, businessmen, lawyers, medical professionals, judges, prosecutors, law enforcement, military men, etc.

Worldwide Electronic Mind Control via 'Cell Phone' Towers

The day is now approaching in which government mind control technologies will be directed at you, your neighbors, and your loved ones. Every single day, equipment is being erected and installed in this country with the hidden purpose of exerting mind control over the entire population. Everywhere in this country (and overseas), ELF/microwave transmission towers are being erected. The antennae usually look like four slightly curved vertical plates about 2 feet in length and located in either 3 or 4 quadrants around the tower, two thirds up from the ground. Just look around, you'll see them. And you'll also notice more of them going up once you begin to pay attention. No one is saying anything, but you're expected to presume that they're for cell phones. (Do you really think that we need that much 'cell phone' transmission capability, every few blocks? Do you realize how very little energy is used by genuine cell phone usage? Yet these towers are capable of putting out levels of power that exceed cell phone requirements by a wide margin) These mind control technologies have been in place for a long time.

It's not an accident that the frequency band chosen for cell phone use just happens to match the second order waves that Wilhelm Reich discovered in the late 1940's to effect thought transmission and allow the mind to be manipulated without the victim realizing it. Reich worked on this project secretly for the CIA for over 5 years, from 1947-1952, until he realized who the CIA was planning to use the mind control on -the American people. He was outraged that he was deceived and used for such a treasonous motive and swore never to cooperate with the CIA, FDA, etc. again. Reich was covertly murdered in Federal prison in 1957, just a few weeks before he was due to be released, having been in prison for 2 years on a trumped up charge leading to a contempt of court citation. He was reported to have had a 'heart attack'. He was strong as an ox. He was murdered two weeks before his parole board hearing. His last book, written in prison, was found to be 'missing' after his death and never returned to his family.

Don & Carol Croft, have found a method to disable these ELF towers from exerting their mind control functions by placing a simple device known as an orgone generator within a radius of 1,300 feet of these towers. Don has been documenting his nationwide efforts to neutralize the secret government's electronic mind control agenda along with their genocidal chemtrail program in his Adventures of Don & Carol Croft. I strongly urge you to read these journal entries, as they contain extremely powerful insights and techniques to overcome the tyranny and enslavement that we now face here in America. Patrick Flannagan recorded an interview with talk show host Jeff Rense on June 30, 2003 and offered important insights on how to counter electronic mind control being beamed to us from the electric wiring within our homes and from microwave towers (excellent information).

Brice Taylor

Brice Taylor is the pseudonym for Susan Ford, one of the highest level MK Ultra mind controlled victims to ever come forward and reveal her story. It took her nearly 13 years to recover the memories of the events that she
reveals in her book, *Thanks for The Memories* (published in May 1999). Her memories began to return in sporadic fragments in 1985, following a car accident that threw her through the windshield of her car after hitting a tree. It wasn't really an accident as much as a result of mind control programming which compelled her to commit suicide if she began to recover critical memories about her role as a top level NASA/CIA mind controlled 'asset' who was used as a sex slave and message (or drug) courier for every president from Kennedy to Clinton and was Henry Kissinger's personal secretary/human computer (file storage and retrieval) for over 19 years. Her 'owner/handler' was comedian Bob Hope and she was 'loaned out' to many famous and well known entertainment personalities in order to oblige them to be beholden to and manipulated by Hope and his Illuminati pals so they could be used as 'worker bees' to help usher in the Luciferian, New World Order. Her book is probably the most revealing account to date of well known, national personalities in both politics and the entertainment industry who are involved in the handling, programming, control, manipulation, and abuse of Illuminati/government created human robots like Brice or other, well known celebrity/mind control victims such as Barbara Striesand and Barbara Mandrel. The book's Table of Contents alone will give you an idea of the incredible number of nationally known names that Brice had been involved with from childhood into adulthood as a mind controlled slave. In my opinion, *Thanks for The Memories* and the two co-authored *Illuminati Formula* books of Cisco Wheeler and Fritz Springmeir (see below) are the *three most important and revealing books in print on the subject of Illuminati mind control* and should be read by every concerned and thinking human being on this planet, for they reveal how the Illuminati mind control programs are accomplished and how they can be broken, allowing the victim to escape from its control.

I encourage you to examine the remarkable book review of *Thanks for The Memories* written by Uri Dowbenko at this link: [http://educate-yourself.org/mc/nwomcbturireview.shtml](http://educate-yourself.org/mc/nwomcbturireview.shtml). It's truly ironic and a perfect example of karmic justice when the total recall of a mind control victim whose brain stem was scarred in order to produce a photographic memory, is now turned back on her abusers to reveal in the most exquisite and precise detail their despicable and monstrous conduct. *Thanks for The Memories* is a well written book that gives you a front row seat into the real world activities of the Secret Government- the 'government' that's really in charge behind the scenes (those scenes being created by the mainstream Media Propaganda Ministry whose job is to deceive you into thinking that the headline news, 'cover story' government is the real deal; believe me, it isn't. It's an illusion from top to bottom.

It's a dog and pony show. All show, and no substance. The presidential election snafu, the interminable talk show debates, propaganda hacks like Rush Limbaugh, Sean Kennedy, etc., etc., *all designed to keep you preoccupied and bewildered from the steady enslavement and erosion of constitutionally guaranteed liberties that is taking place daily*. The Sept. 11 "attack" was planned and launched to provide an excuse for passing fascist, totalitarian 'laws' designed to enslave us and strip the populace of the few remaining freedoms that we still enjoy. National ID 'smart' cards that will contain your entire medical, financial history, DNA information, etc. will be required to engage in any sort of normal consumer activity like getting on a plane or even going from state to state after military border guards become a common scene in this once freedom loving land. Spend your cash now while you still have cash, because soon all financial transactions will be conducted using plastic cards. And just like Nazi Germany, our people will be encouraged to report any 'suspicious' activity of their neighbors. In fact, life in the United States will soon become a carbon copy of Nazi Germany of the late 1930's, just a lot more high tech and
much more lethal.

We will post articles below that will give you greater insight into the methodology of mind control and its strong connections to Satanism and satanic rituals. Al Bielek has revealed a great deal of prime information on the government's secret mind control capabilities and plans in a 1992 underground video made with Vladimir Terziski.

Are you ready to live in Orwell's nightmare world of Big Brother and mind control slavery? The New Fourth Reich of Hitler's demonic dream where perverted and promiscuous sexuality is promoted as 'normal' and 'healthy' while satanism with its rituals of human sacrifice is the only 'religion' to be allowed? Well, it's just around the corner if we remain passive and unwilling to engage these demonic manipulators.

With One Accord (http://withoneaccord.org) Bill Schnoebelen was a high priest with the Church of Satan for seven years and credits his return to Christianity (and sanity) because of a short note written on the back of a cancelled check to this organization from a female bank worker who simply wrote the words "Jesus loves you". Bill recounts his story and ascension from darkness in an amazing book titled, "Lucifer Dethroned". This man has done it all- very informative web site.

Freedom Isn't Free (http://www.raven1.net)

- Eleanor White's web site is about one type of the ongoing (and vigorously denied) government crimes, (historically often carried on by non-government entities for cover,) which started in the 1950s as MKULTRA, and COINTELPRO. The code names were dropped, but the activity never stopped. The crime documented here is a literal covert war on citizens by the "shadow governments" who "own" the visible governments. This covert war operates like a cross between illegal vigilante style "criminal rehabilitation groups" and "contract revenge services" for the rich and powerful.

These survivors include children, prisoners, mentally incapacitated and military personnel and their families—those who cannot freely give consent.

Survivorship (http://www.survivorship.org/)

o For survivors of ritualistic abuse, mind control, and torture, and their allies. Survivorship is a non-profit organization created to support the healing of adult survivors of ritualized abuse. We are a truly grassroots organization totally supported by membership fees and donations. We accept no federal, state, or private grant monies. We are run for and by survivors and their allies.

Citizens Against Human Rights Abuse By Neurological and Electromagnetic Weapons (http://www.dcn.davis.ca.us/~welsh/)

o Citizens Against Human Rights Abuse (C.A.H.R.A.) was formed by a group of victims of alleged nonconsensual human experimentation involving electromagnetic and neurological weapon testing programs by the U.S. and other governments. The specific purpose of this group is to stop the currently ongoing nonconsensual human experimentation by the U.S. and other governments. The group will use research and documentation, networking and organization to reach a timely solution. Victims organized this group to pool their time and resources and to network with each other, just as the Gulf War Vets and also radiation victims did. (contact: Cheryl Welsh <welsh@dcn.davis.ca.us>)

o Dr. Ellen Lacter is a San Diego psychiatrist with a web site devoted to therapy and help for victims of satanic ritual abuse (SRA) and mind control. Many terrific articles and news of training seminars and conferences for both therapeutic professionals and victims of abuse.

The Following Links obtained from Electronic Harassment (http://www.eharassment.ca/)

Mind Control Forum (http://www.mindcontrolforums.com)

Raven1.net (http://www.raven1.net/)

o This web site is about one type of the ongoing government crimes, which started in the 1950s as MKULTRA, and the 1960s as COINTELPRO. The code names were dropped, but the activity never stopped. The crime documented here is popularly called "mind control". This activity started with harassment and torture of entirely innocent and involuntary citizens of the U.S. and Canada. Now in the 21st Century, these crimes are happening in the
jurisdictions of all major governments, and are world wide in scope. The evidence is here for all who are willing to look at it.

Bugsweeps.com (http://www.bugsweeps.com/info/electronic_harassment.html)

- This is Roger Tolces' site. Victims report that he is very helpful. This particular page is about electronic harassment. I have heard that Roger will do testing for implants.

US Surveillance Issues (http://www.surveillanceissues.com)

- This site contains information relating to advanced satellite surveillance and "harassment" technologies which are made available to covert government agencies and organised crime syndicates. By Paul Baird.

(1) Microwave Harassment and Mind-Control Experimentation (http://www.mindcontrolforums.com/mck-clsc.htm)
(2) Directed-Energy Harassment Defense (http://mindcontrolforums.com/mindnet/mn145.htm)

- Two articles by Julianne McKinney who headed up the Electronic Surveillance Project for a time in an attempt to help victims of electronic harassment.

Diagram of Symptoms (http://www.ravenl.net/effects.gif)

- This is a diagram with a comprehensive list of symptoms (located at ravenl.net), most of which (80%) I have experienced.

Project Freedom (http://www.mindcontrolforums.com/pro-freedom.co.uk/index.html)

- George Farquhar's U.K. web site. (Mirror site - I don't know what happened to the original website). He says, "I now know without any doubt, that during my stay in Canada, I was being bombarded with microwave radiations, and that I was being mentally and emotionally manipulated by EMF Remote Mind Control Weaponry. I also believe that these attacks may have been executed via the US National Security Agency's Kinnecombe Group, Fort Meade, who are known for such attacks on the American people."

MKzine (http://www.mkzine.com/)

- Magazine with articles by known activists. Examines coercive mind control, invasive human experimentation and other related abuses.
StopCovertWar.com (http://www.StopCovertWar.com/)
- A site describing the current day epidemic of covert around the clock harassment of citizens, allowed to continue because all government agencies and non-government human rights organizations choose to look the other way instead of obeying their respective mandates. This site has collected information on how to cope with this unending torture, and how to effectively fight to expose and stop these crimes.

Government Mind Control (http://www.angelfire.com/or/mctrl/index.html)
- A well organized site providing links to articles and books. It contains plenty of fascinating research information.

Psychotechnology Research Institute (http://int.psycor.ru/main.php7smir)
- Not a site by victims, but by those developing the kind of technology many victims feel is being used against them. An eye-opening site, especially the publications section.

**Pam Schuffert Reports**

Satanism, the Illuminati, and mind control are heavily interlinked. Satanic Ritual Abuse (SRA) is one of the principle methods used to shatter the psyches of very young children and begin the process of mind control programming. A series of articles by Pam Schuffert is being written daily to chronicle the current state of satanic activity in the America today. See her reports posted at this link. http://educate-yourself.org/ps/
